Who We Are

Randy Cripe is a Christian Counselor and Christian Career Coach who provides counseling and coaching for children, adolescents and adults for a variety of career, personal, marriage/family and trauma-related issues. He describes himself as a caring, compassionate and concerned counseling professional who continually strives to create a place where his clients feel safe and accepted. He is a highly-skilled listener, motivator and encourager.

What We Do

At Clear Life Services, we encourage the use of creative self-expression. We have found this to be particularly effective while working with children (who often do not have the words to say how they are feeling) and adult survivors of trauma and abuse (who also often do not have the words to describe their experiences). We pride ourselves in utilizing crafts, collages, drawing, journaling, finger painting, storytelling and watercolor. We also incorporate several expressive therapies including art, dance, drama, music, play, photo, pet, puppet and recreational therapy.
